

Chairman's Report - Tuesday Club

In 2010 there was an average of 15 members at meetings - reflecting the trend of more time to visit families, take holidays out of season and, sadly, quite a lot of ill health.

Pam Sutherland joined us and we have had interest expressed from ladies who attend St. Peter's in the Pub.

Two former members, Ann Eaton-Evans and Cicily Mair, died this year, and several members attended their funerals.

Meetings have been interesting and varied with a good balance of speaker meetings and our own entertainment. We also visited an Exhibition at the Lincolnshire Life Museum and had our annual lunch at the Lincoln Hotel.

We had, as usual, supported the charities of Together for Sudan and this year the St. Andrew's Children's Hospice, Grimsby.

The monthly Scrabble Evening on the fourth Tuesday continues to be popular.

Throughout the year the support of the Committee: Christine Murray, Ann Moralee and Ursula Taylor, has been invaluable - as has been the fellowship, support and hospitality of members.
